Look for "Qingdao" – a city on the north China coast

上海 Shanghai means
“on the sea”
青岛 Qingdao İS on the sea!

Climate Just as Shanghai's intolerable summer heat and humidity are setting in, you will escape to the balmy climes of the Shandong seacoast.

Locality

Marvelous opportunities to get to know this beautiful and historic province.

A Chinese City Built around Imperial German Architecture!

History that lives today:

1) Architectural and cultural reminders of the imperial German occupation including the famous brewery
2) Shandong Province was cradle of the Boxer uprising and was twice occupied by the Japanese
3) Qingdao was Chiang Kai-shek's last stop en route to Taiwan

Current events:

4) Qingdao is currently part of the China-South Korea-Japan economic nexus
5) Other issues China is dealing with such as the environment and industry. (See syllabus for details.)

Cancellation Policy

Program descriptions and fees are subject to final approval by educational units and the Office of International Education. Georgia Tech reserves the right to alter or cancel this program due to low enrollment, unavailability of a professor to teach a planned course, or other unforeseen circumstances. Once Georgia Tech has made payments to service providers, or if Georgia Tech cancels the program before departure or while the program is in progress for reasons beyond its control, such as political unrest or danger to participants' safety, only those fees that Georgia Tech is able to have refunded by service providers will be returned to participants. If a student withdraws before the application deadline no penalty is incurred beyond the non-refundable application fee. If a student withdraws from the program after the application deadline, the student will be responsible for the payment of all fees.
